

# Setting up Viewmypaycheck

The screenshot shows the Intuit ViewMyPaycheck website. The browser address bar displays "https://paychecks.intuit.com/index.html". The page features a navigation menu with "About", "Support", "View demo", and a blue "Sign up" button. The main content area is split into two sections: a white sign-in form on the left and a photograph of a hand holding a smartphone displaying a mobile app interface on the right. The sign-in form includes fields for "Email or user ID" and "Password", a "Remember me" checkbox, a blue "Sign In" button, and links for "Forgot your password?", "Forgot your user ID?", and "New to Intuit? Create an account". The mobile app interface shows a paycheck summary for February 15, 2014, with a net pay of \$1,039.37. The Windows taskbar at the bottom shows the time as 3:45 PM on 10/8/2014.

To Create an Account:  
Choose an ID  
Choose a password

You will need your SSN and your last paycheck net pay amount.

# intuit. ViewMyPaycheck

ViewMyPaycheck makes it easy for employers to give employees 24/7 online access to their own paycheck info. No more printing and mailing pay stubs every payday or replacing lost or damaged pay stubs. Employees can simply sign in to their ViewMyPaycheck account and see any current or prior pay stubs.

Here's a sneak peek at what employees will see when signing in to ViewMyPaycheck.
